

# SPONSOR KEEP DULUTH CLEAN

OUR GOALS / The Keep Duluth Clean initiative aims to reduce litter and illegal dumping in our public spaces. The initiative features a Spring and Fall community-wide clean-up event and a series of pop-up events throughout May to October. Through these efforts, Keep Duluth Clean aims to:

- Recruit over 1,000 volunteers
- Remove over 3 tons of abandoned waste and litter
- Engage at least 10,000 people through our social media and outreach

Your annual sponsorship dollars will support Keep Duluth Clean projects including processing/hauling costs for collected litter/abandoned waste, clean-up kits, outreach and education, incentive giveaways, and more!
